

GO BLUE FOR KIDS!

The Blue Ribbon...

April is National Child Abuse and Neglect Prevention Month. This April and throughout the year, you can show your support for children by wearing and displaying blue ribbons.

The Ohio Children's Trust Fund invests in building safe communities, promoting strong families, and raising healthy children.

With statewide and county partners, we provide services to Ohio's children and families to prevent child abuse and neglect.

Everyone can make a difference in the life of a child.

- Every minute invested in a child's life is time well spent.
- Nurture, protect, praise, listen.
- Show you care with a hug or smile.
- Take a moment to say "I love you."
- Small things can make a big difference in the life of a child.

Together, we can prevent child abuse and neglect!
