TITLE IV-E REIMBURSEMENT CEILINGS FOR APRIL 1, 2005, THROUGH MARCH 31, 2006

The new JFS 02911 Single Cost Report covers the period July 1 through June 30 and commences with the period ending June 30, 2004. Based on this reporting period approved Title IV-E reimbursement ceilings will be effective for the period April 1, 2005, through March 31, 2006. An inflation factor of 5.8% has been added to the costs associated with this reporting period.

The agencies listed below are expected to file JFS 02911 Single Cost Reports for reimbursement ceiling calculation. For those agencies which have completed the cost report filing process, Title IV-E reimbursement ceilings and cost per diems are listed below. To determine if an agency has filed a cost report or if a filed cost report is still in the desk review process, please go to <http://jfs.ohio.gov/ocf/publications.stm> and view the "State Fiscal Year 2004 Cost Report Filing Status" link file.

* For ceilings listed with an asterisk, O.A.C. rule 5101:2-47-11(F) (see hyperlink) was amended on September 1, 2003, establishing a contemporaneous payment system for purchased foster care services. Under this system, your Title IV-E Maintenance Reimbursement Ceiling is set at the statewide maximum ceiling as currently established through Family, Children and Adult Services Procedure Letter 5I (see hyperlink). You may contact the Rate Setting Unit for further details at 614-644-1146.

TITLE IV-E REIMBURSEMENT CEILINGS FOR APRIL 1, 2005, THROUGH MARCH 31, 2006

The new JFS 02911 Single Cost Report covers the period July 1 through June 30 and commences with the period ending June 30, 2004. Based on this reporting period approved Title IV-E reimbursement ceilings will be effective for the period April 1, 2005, through March 31, 2006. An inflation factor of 5.8% has been added to the costs associated with this reporting period.

The agencies listed below are expected to file JFS 02911 Single Cost Reports for reimbursement ceiling calculation. For those agencies which have completed the cost report filing process, Title IV-E reimbursement ceilings and cost per diems are listed below. To determine if an agency has filed a cost report or if a filed cost report is still in the desk review process, please go to <http://jfs.ohio.gov/ocf/publications.stm> and view the "State Fiscal Year 2004 Cost Report Filing Status" link file.

* For ceilings listed with an asterisk, O.A.C. rule 5101:2-47-11(F) (see hyperlink) was amended on September 1, 2003, establishing a contemporaneous payment system for purchased foster care services. Under this system, your Title IV-E Maintenance Reimbursement Ceiling is set at the statewide maximum ceiling as currently established through Family, Children and Adult Services Procedure Letter 58I (see hyperlink). You may contact the Rate Setting Unit for further details at 614-644-1146.
