

August is Child Support Awareness Month! What's going on in Carroll County?

We Will:

- Have free toothbrushes, toothpaste, and dental floss for kids.
- Donate school supplies to the local school for children who can't afford them.

THANKS

To our partners — the federal and state offices of Child Support, our employees, employers, parents, legislators, attorneys, judges, healthcare professionals, advocacy groups, and more — who help make the Child Support Program possible.
