

August is Child Support Awareness Month! What's going on in Huron County?

We Will:

- Issue a county proclamation declaring August as Child Support Awareness Month.
- Offer free snacks and a coloring contest with prizes at the office.
- Have a booth at the Huron County Fair on August 14th through the 19th.

Look For:

- Our brochure with information about child support, how to be a good parent, and free (or almost free) things to do with your kids.
- An article about our services in local newspapers.
- Posters throughout Huron County.

THANKS

To our partners — the federal and state offices of Child Support, our employees, employers, parents, legislators, attorneys, judges, healthcare professionals, advocacy groups, and more — who help make the Child Support Program possible.
