

## **Contact Information**

Members of the P&T Committee have requested that all clinical information, questions or comments about the preferred drug list be sent directly to ACS. Manufacturers and other interested parties have been requested not to contact the members directly.

Written comments on the PDL from all interested parties should be submitted to the appropriate ACS contact. Manufacturers submitting comments are requested to do so through their product manager, using the form provided.

Manufacturers and other interested parties should review the references for individual classes. *References that are listed have previously been reviewed, and should not be resubmitted as part of the manufacturers' comments.*
