

Statewide Medicaid Managed Care Open Enrollment November 2009

The Bureau of Managed Care (BMC) has designated November as a statewide open enrollment month for both the Aged, Blind, or Disabled (ABD) and the Covered Families and Children (CFC) programs. Notices are scheduled to be sent to all managed care eligible beneficiaries in late August 2009 announcing the change. Prior to November, there will be open enrollment for CFC beneficiaries in the following regions.

Southeast Region- August

Northwest Region- September

Northeast Region- October
