

## Work Opportunity Tax Credit (WOTC)

**November 2005**

*1) Will Work Opportunity Tax Credit (WOTC) services be available for access through local One-Stops with or without a memorandum of understanding that provides for state staffing at the One-Stop? (Vol. IV, Q.51)*

Information on the Work Opportunity Tax Credit and Welfare-to-Work Tax Credit Program will continue to be available through brochures at the One-Stops and through One Stop staff. We will continue to market WOTC through our website at [www.jfs.ohio.gov/wotc/](http://www.jfs.ohio.gov/wotc/) and through workshops which can be scheduled through our Information Line. Calls to our Information Line at (614) 644-7206 are returned within 24-48 hours.

We are also able to provide employers with electronic, as well as hard copy, packets which explain the program in detail. There are no plans to place WOTC staff in One-Stop locations.
