

Ohio Department of Health

ASQ TRAININGS

For Early Childhood Professionals

- FREE Ages and Stages Questionnaire trainings (2.5 hours) for personnel working in programs and agencies serving children ages 0-5 years
- All trainings provide social work, nursing or MRDD CEUs, CDA credit pending, ODJFS in-service hours and Step Up to Quality specialized training hours
- The Ages and Stages Questionnaire screening tool was developed to provide information on the progress of children 0-5 years in five key areas of development
